A communications channel is a physical or virtual path of communications over which signals are transmitted between or among customer channel termination points (*i.e.*, the location where the customer either inputs or receives the communications).

The term "telecommunications services" includes such transmission, conveyance, or routing in which computer processing applications are used to act on the form, code or protocol of the content for purposes of transmission, conveyance or routing without regard to whether such services are referred to as voice over internet protocol (VoIP) services or are classified by the Federal Communications Commission as enhanced or value added, and includes video and/or data services that are functionally integrated with "telecommunication services". "Telecommunications services" include, but are not limited to the following services, regardless of the manner or basis on which such services are calculated or billed: ancillary telecommunication services; broadband service (to the extent federal and/or state law permits taxation of such service); mobile telecommunications service; prepaid telecommunication service; post-paid telecommunication service; private telecommunication service; paging service; 800 service (or any other toll-free numbers designated by the Federal Communications Commission); 900 service (or any other similar numbers designated by the Federal Communications Commission for services whereby subscribers who call in to pre-recorded or live service). "Telecommunication services" shall not include digital downloads that are not "ancillary telecommunication services", such as books, music, ringtones, games, and similar digital products.

**3.22.040 Constitutional, statutory, and other exemptions.**

A. Nothing in this Chapter shall be construed as imposing a tax upon any person or service when the imposition of such tax upon such person or service would be in violation of a federal or state statute, the Constitution of the United States or the Constitution of the State.

B. Any service user that is exempt from the tax imposed by this Chapter pursuant to paragraph (A) of this Section shall file an application with the Tax Administrator for an exemption; provided, however, this requirement shall not apply to a service user that is a state or federal agency or subdivision thereof with a commonly recognized name for such service. Said application shall be made upon a form approved by the Tax Administrator and shall state those facts, declared under penalty of perjury, which qualify the applicant for an exemption, and shall include the names of all service suppliers serving that service user. If deemed exempt by the Tax Administrator, such service user shall give the Tax Administrator timely written notice of any change in service suppliers so that the Tax Administrator can properly notify the new service supplier of the service user's tax exempt status. A service user that fails to comply with this Section shall not be entitled to a refund of the communication users' taxes collected and remitted to the Tax Administrator from such service user as a result of such noncompliance.

C. The decision of the Tax Administrator may be appealed pursuant to Section 3.22.160 of this Chapter. Filing an application with the Tax Administrator and appeal to the City Manager pursuant to Section 3.22.160 of this Chapter is a prerequisite to a suit thereon.

D. Any service user who qualifies as a "claimant" under the *Gonsalves-Deukmejian-Petris Senior Citizens Property Tax Assistance Law* (Chapter 1, commencing with Section 20501, of Part 10.5 of Division 2 of the Revenue and Taxation Code of the state of California) shall be exempt from the tax imposed by this Chapter and any such tax paid by any such service user is subject to refund under paragraph (B) of this Section, above. In the event that the *Gonsalves-Deukmejian-Petris Senior Citizens Property Tax Assistance Law* is repealed or otherwise ceases to exist in a substantially similar form, the exemption granted under this paragraph shall automatically terminate.

E. Any person or service user subject to taxation under this Chapter may invoke the provisions of Section 3.20.051 relating to alternative payment options.

**3.22.050 Communication Users' Tax.**

A. There is hereby imposed a tax upon every person in the City using communication services. The maximum tax imposed by this section shall be at the rate of six and one-half percent (6.5%) of the charges made for such services and shall be collected from the service user by the communication services supplier or its billing agent. There is a rebuttable presumption that communication services, which are billed to a billing or service address in the City, are used, in whole or in part, within the City's boundaries, and such services are subject to taxation under this Chapter. If the billing address of the service user is different from the service address, the service address of the service user shall be used for purposes of imposing the tax. As used in this Section, the term "charges" shall include the value of any other services, credits, property of every kind or nature, or other consideration provided by the service user in exchange for the communication services.

B. "Mobile Telecommunications Service" shall be sourced in accordance with the sourcing rules set forth in the Mobile Telecommunications Sourcing Act (4 U.S.C. Section 124). The Tax Administrator may issue and disseminate to communication service suppliers, which are subject to the tax collection requirements of this Chapter, sourcing rules for the taxation of other communication services, including but not limited to post-paid communication services, prepaid communication services, and private communication services, provided that such rules are based upon custom and

common practice that further administrative efficiency and minimize multi-jurisdictional taxation.

C. The Tax Administrator may issue and disseminate to communication service suppliers, which are subject to the tax collection requirements of this Chapter, an administrative ruling identifying those communication services, or charges therefor, that are subject to or not subject to the tax of paragraph (A) of this Section, above.

D. As used in this section, the term "telecommunication services" shall include, but are not limited to charges for: connection, reconnection, termination, movement, or change of telecommunication services; late payment fees; detailed billing; central office and custom calling features (including but not limited to call waiting, call forwarding, caller identification and three-way calling); voice mail and other messaging services; directory assistance; access and line charges; universal service charges; regulatory, administrative and other cost recovery charges; local number portability charges; and page, instant and text messaging. "Telecommunication services" shall not include digital downloads that are not "ancillary telecommunication services", such as books, music, ringtones, games, and similar digital products.

E. To prevent actual multi-jurisdictional taxation of communication services subject to tax under this section, any service user, upon proof to the Tax Administrator that the service user has previously paid the same tax in another state or local jurisdiction on such communication services, shall be allowed a credit against the tax imposed to the extent of the amount of such tax legally imposed in such other state or local jurisdiction; provided, however, the amount of credit shall not exceed the tax owed to the City under this section.

F. The tax on communication services imposed by this section shall be collected from the service user by the service supplier. The amount of tax collected in one (1) month shall be remitted to the Tax Administrator, and must be received by the Tax Administrator on or before the twentieth (20<sup>th</sup>) day of the following month.

### **3.22.060 Bundling Taxable Items with Non-Taxable Items.**

Except as otherwise provided by applicable federal or state law, if any nontaxable charges are combined with and not separately stated from taxable service charges on the customer bill or invoice of a service supplier, the combined charge is subject to tax unless the service supplier identifies, by reasonable and verifiable standards, the portions of the combined charge that are nontaxable and taxable through the service supplier's books and records kept in the regular course of business, and in accordance with generally accepted accounting principles, and not created and maintained for tax purposes. The service supplier has the burden of proving the proper apportionment of taxable and non-taxable charges.

### **3.22.070 Substantial Nexus / Minimum Contacts.**

A. For purposes of imposing a tax or establishing a duty to collect and remit a tax under this Chapter, "substantial nexus" and "minimum contacts" shall be construed broadly in favor of the imposition, collection and/or remittance of the communication users' tax to the fullest extent permitted by state and federal law, and as it may change from time to time by judicial interpretation or by statutory enactment. Any communication service (including VoIP) used by a person with a service address in the City, which service is capable of terminating a call to another person on the general telephone network, shall be subject to a rebuttable presumption that "substantial nexus/minimum contacts" exists for purposes of imposing a tax, or establishing a duty to collect and remit a tax, under this Chapter. A service supplier shall be deemed to have sufficient activity in the City for tax collection and remittance purposes if its activities include, but are not limited to, any of the following: maintains or has within the City, directly or through an agent or subsidiary, a place of business of any nature; solicits business in the City by employees, independent contractors, resellers, agents or other representatives; solicits business in the City on a continuous, regular, seasonal or systematic basis by means of advertising that is broadcast or relayed from a transmitter

within the City or distributed from a location within the City; or advertises in newspapers or other periodicals printed and published within the City or through materials distributed in the City by means other than the United States mail.

B. The City shall make available, upon request, an accurate description of its jurisdictional boundaries based on street addresses and/or ZIP Plus Four, in an electronic format. If a service supplier relies upon such information provided by City, it shall not be responsible for any errors in taxation that may result.

**3.22.080 Duty to Collect--Procedures.**

A. **Collection by Service Suppliers.** The duty of service suppliers to collect and remit the taxes imposed by the provisions of this Chapter shall be performed as follows:

(1) The tax shall be collected by service suppliers insofar as practicable at the same time as, and along with, the collection of the charges made in accordance with the regular billing practice of the service supplier. Where the amount paid by a service user to a service supplier is less than the full amount of the charge and tax which was accrued for the billing period, a proportionate share of both the charge and the tax shall be deemed to have been paid. In those cases where a service user has notified the service supplier of refusal to pay the tax imposed on said charges, Section 3.22.120 shall apply.

(2) The duty of a service supplier to collect the tax from a service user shall commence with the beginning of the first regular billing period applicable to the service user where all charges normally included in such regular billing are subject to the provisions of this Chapter. Where a service user receives more than one billing, one or more being for different periods than another, the duty to collect shall arise separately for each billing period.

B. **Filing Return and Payment.** Each person required by this Chapter to remit a tax shall file a return to the Tax Administrator, on forms approved by the Tax Administrator, on or before the due date. The full amount of the tax collected shall be included with the return and filed with the Tax Administrator. The Tax Administrator is authorized to require such additional information as he or she deems necessary to determine if the tax is being levied, collected, and remitted in accordance with this Chapter. Returns are due immediately upon cessation of business for any reason. Pursuant to *Revenue and Tax Code Section 7284.6*, the Tax Administrator, and its agents, shall maintain such filing returns as confidential information that is exempt from the disclosure provisions of the Public Records Act.

**3.22.090 Collection Penalties – Service Suppliers.**

A. Taxes collected from a service user are delinquent if not received by the Tax Administrator on or before the due date. Should the due date occur on a weekend or legal holiday, the return must be received by the Tax Administrator on the first regular working day following the weekend or legal holiday. A direct deposit, including electronic fund transfers and other similar methods of electronically exchanging monies between financial accounts, made by a service supplier in satisfaction of its obligations under this paragraph shall be considered timely if the transfer is initiated on or before the due date, and the transfer settles into the City's account on the following business day.

B. If the person required to collect and/or remit the communication users' tax fails to collect the tax (by failing to properly assess the tax on one or more services or charges on the customer's billing) or fails to remit the tax collected on or before the due date, the Tax Administrator shall attach a penalty for such delinquencies or deficiencies at the rate of fifteen (15%) percent of the total tax that is delinquent or deficient in the remittance, and shall pay interest at the rate of and 75/100ths (0.75%) percent per month, or any fraction thereof, on the amount of the tax, exclusive of penalties, from the date on which the remittance first became delinquent, until paid.

C. The Tax Administrator shall have the power to impose additional penalties upon persons required to collect and remit taxes pursuant to the provisions of this Chapter

for fraud or gross negligence in reporting or remitting at the rate of fifteen (15%) percent of the amount of the tax collected and/or required to be remitted, or as recomputed by the Tax Administrator.

D. For collection purposes only, every penalty imposed and such interest that is accrued under the provisions of this section shall become a part of the tax herein required to be paid.

E. Notwithstanding the foregoing, the Tax Administrator may, in his or her discretion, modify the due dates of this Chapter to be consistent with any uniform standards or procedures that are mutually agreed upon by other public agencies imposing a communication users' tax, or otherwise legally established, to create a central payment location or mechanism.

### **3.22.100 Actions to Collect.**

Any tax required to be paid by a service user under the provisions of this Chapter shall be deemed a debt owed by the service user to the City. Any such tax collected from a service user which has not been remitted to the Tax Administrator shall be deemed a debt owed to the City by the person required to collect and remit and shall no longer be a debt of the service user. Any person owing money to the City under the provisions of this Chapter shall be liable to an action brought in the name of the City for the recovery of such amount, including penalties and interest as provided for in this Chapter, along with any collection costs incurred by the City as a result of the person's noncompliance with this Chapter, including, but not limited to, reasonable attorneys fees. Any tax required to be collected by a service supplier or owed by a service user is an unsecured priority excise tax obligation under *11 U.S.C.A. Section 507(a)(8)(C)*.

### **3.22.110 Deficiency Determination and Assessment – Tax Application Errors.**

A. The Tax Administrator shall make a deficiency determination if he or she determines that any service user or service supplier required to pay or collect taxes pursuant to the provisions of this Chapter has failed to pay, collect, and/or remit the proper amount of tax by improperly or failing to apply the tax to one or more taxable services or charges. Nothing herein shall require that the Tax Administrator institute proceedings under this Section 3.22.110 if, in the opinion of the Tax Administrator, the cost of collection or enforcement likely outweighs the tax benefit.

B. The Tax Administrator shall mail a notice of such deficiency determination to the person or entity allegedly owing the tax, which notice shall refer briefly to the amount of the taxes owed, plus interest at the rate of 75/100ths (0.75%) percent per month, or any fraction thereof, on the amount of the tax from the date on which the tax should have been received by the City. Within fourteen (14) calendar days after the date of service of such notice, the person or entity allegedly owing the tax may request in writing to the Tax Administrator for a hearing on the matter.

C. If the person or entity allegedly owing the tax fails to request a hearing within the prescribed time period, the amount of the deficiency determination shall become a final assessment, and shall immediately be due and owing to the City. If the person or entity allegedly owing the tax requests a hearing, the Tax Administrator shall cause the matter to be set for hearing, which shall be scheduled within thirty (30) days after receipt of the written request for hearing. Notice of the time and place of the hearing shall be mailed by the Tax Administrator to such person or entity at least ten (10) calendar days prior to the hearing, and, if the Tax Administrator desires said person or entity to produce specific records at such hearing, such notice may designate the records requested to be produced.

D. At the time fixed for the hearing, the Tax Administrator shall hear all relevant testimony and evidence, including that of any other interested parties. At the discretion of the Tax Administrator, the hearing may be continued from time to time for the purpose of allowing the presentation of additional evidence. Within a reasonable time following the conclusion of the hearing, the Tax Administrator shall issue a final

assessment (or non-assessment), thereafter, by confirming, modifying or rejecting the original deficiency determination, and shall mail a copy of such final assessment to the person or entity owing the tax. The decision of the Tax Administrator may be appealed pursuant to Section 3.22.160 of this Chapter. Filing an application with the Tax Administrator and appeal to the City Manager pursuant to Section 3.22.160 of this Chapter is a prerequisite to a suit thereon. Both the Tax Administrator and the City Manager may designate an independent hearing officer to conduct any of the hearings or other proceedings contemplated under this paragraph and such hearing officer shall render a decision in the manner provided herein.

E. Payment of the final assessment shall become delinquent if not received by the Tax Administrator on or before the thirtieth (30th) day following the date of receipt of the notice of final assessment. The penalty for delinquency shall be fifteen percent (15%) on the total amount of the assessment, along with interest at the rate of 75/100ths (0.75%) percent per month, or any fraction thereof, on the amount of the tax, exclusive of penalties, from the date of delinquency, until paid. The applicable statute of limitations regarding a claim by the City seeking payment of a tax assessed under this Chapter shall commence from the date of delinquency as provided in this paragraph (E).

F. All notices under this section may be sent by regular mail, postage prepaid, and shall be deemed received on the third calendar day following the date of mailing, as established by a proof of mailing.

### **3.22.120 Administrative Remedy - Non-Paying Service Users.**

A. Whenever the Tax Administrator determines that a service user has deliberately withheld the amount of the tax owed by the service user from the amounts remitted to a person required to collect the tax, or whenever the Tax Administrator deems it in the best interest of the City, he or she may relieve such person of the obligation to collect the taxes due under this Chapter from certain named service users for specific billing periods. To the extent the service user has failed to pay the amount of tax owed for a period of two (2) or more billing periods, the service supplier shall be relieved of the obligation to collect taxes due. The service supplier shall provide the City with the names and addresses of such service users and the amounts of taxes owed under the provisions of this Chapter. Nothing herein shall require that the Tax Administrator institute proceedings under this Section 3.22.120 if, in the opinion of the Tax Administrator, the cost of collection or enforcement likely outweighs the tax benefit.

B. In addition to the tax owed, the service user shall pay a delinquency penalty at the rate of fifteen percent (15%) of the total tax that is owed, and shall pay interest at the rate of 75/100ths (0.75%) percent per month, or any fraction thereof, on the amount of the tax, exclusive of penalties, from the due date, until paid.

C. The Tax Administrator shall notify the non-paying service user that the Tax Administrator has assumed the responsibility to collect the taxes due for the stated periods and demand payment of such taxes, including penalties and interest. The notice shall be served on the service user by personal delivery or by deposit of the notice in the United States mail, postage prepaid, addressed to the service user at the address to which billing was made by the person required to collect the tax; or, should the service user have a change of address, to his or her last known address.

D. If the service user fails to remit the tax to the Tax Administrator within thirty (30) days from the date of the service of the notice upon him or her, the Tax Administrator may impose an additional penalty of fifteen percent (15%) of the amount of the total tax that is owed.

### **3.22.130 Additional Powers and Duties of the Tax Administrator.**

A. The Tax Administrator shall have the power and duty, and is hereby directed, to enforce each and all of the provisions of this Chapter.

B. The Tax Administrator may adopt administrative rules and regulations consistent with provisions of this Chapter for the purpose of interpreting, clarifying, carrying out and enforcing the payment, collection and remittance of the taxes herein imposed. A copy of such administrative rules and regulations shall be on file in the Tax Administrator's office.

C. Upon a proper showing of good cause, the Tax Administrator may make administrative agreements, with appropriate conditions, to vary from the strict requirements of this Chapter and thereby: (1) conform to the billing procedures of a particular service supplier so long as said agreements result in the collection of the tax in conformance with the general purpose and scope of this Chapter; or, (2) to avoid a hardship where the administrative costs of collection and remittance greatly outweigh the tax benefit. A copy of each such agreement shall be on file in the Tax Administrator's office, and are voidable by the Tax Administrator or the City at any time.

D. The Tax Administrator may conduct an audit, to ensure proper compliance with the requirements of this Chapter, of any person required to collect and/or remit a tax pursuant to this Chapter. The Tax Administrator shall notify said person of the initiation of an audit in writing. In the absence of fraud or other intentional misconduct, the audit period of review shall not exceed a period of three (3) years next preceding the date of receipt of the written notice by said person from the Tax Administrator. Upon completion of the audit, the Tax Administrator may make a deficiency determination pursuant to Section 3.22.110 of this Chapter for all taxes (and applicable penalties and interest) owed and not paid, as evidenced by information provided by such person to the Tax Administrator. If said person is unable or unwilling to provide sufficient records to enable the Tax Administrator to verify compliance with this Chapter, the Tax Administrator is authorized to make a reasonable estimate of the deficiency. Said reasonable estimate shall be entitled to a rebuttable presumption of correctness.

E. Upon receipt of a written request of a taxpayer, and for good cause, the Tax Administrator may extend the time for filing any statement required pursuant to this Chapter for a period of not to exceed forty-five (45) days, provided that the time for filing the required statement has not already passed when the request is received. No penalty for delinquent payment shall accrue by reason of such extension. Interest shall accrue during said extension at the rate of 75/100ths (0.75%) percent per month, prorated for any portion thereof.

F. The Tax Administrator shall determine the eligibility of any person who asserts a right to exemption from, or a refund of, the tax imposed by this Chapter.

G. Notwithstanding any provision in this Chapter to the contrary, the Tax Administrator may waive any penalty or interest imposed upon a person required to collect and/or remit for failure to collect the tax imposed by this Chapter if the non-collection occurred in good faith. In determining whether the non-collection was in good faith, the Tax Administrator shall take into consideration industry practice or other precedence.

**3.22.140 Records.**

A. It shall be the duty of every person required to collect and/or remit to the City any tax imposed by this Chapter to keep and preserve, for a period of at least three (3) years, all records as may be necessary to determine the amount of such tax as he or she may have been liable for the collection of and remittance to the Tax Administrator, which records the Tax Administrator shall have the right to inspect at a reasonable time.

B. The City may issue an administrative subpoena to compel a person to deliver, to the Tax Administrator, copies of all records deemed necessary by the Tax Administrator to establish compliance with this Chapter, including the delivery of records in a common electronic format on readily available media if such records are kept electronically by the person in the usual and ordinary course of business. As an alternative to delivering the subpoenaed records to the Tax Administrator on or before the due date provided in the administrative subpoena, such person may provide access to

such records outside the City on or before the due date, provided that such person shall reimburse the City for all reasonable travel expenses incurred by the City to inspect those records, including travel, lodging, meals, and other similar expenses, but excluding the normal salary or hourly wages of those persons designated by the City to conduct the inspection.

C. The Tax Administrator is authorized to execute a non-disclosure agreement approved by the City Attorney to protect the confidentiality of customer information pursuant to *California Revenue and Tax Code Sections 7284.6 and 7284.7*.

D. If a service supplier uses a billing agent or billing aggregator to bill, collect, and/or remit the tax, the service supplier shall: i) provide to the Tax Administrator the name, address and telephone number of each billing agent and billing aggregator currently authorized by the service supplier to bill, collect, and/or remit the tax to the City; and, ii) upon request of the Tax Administrator, deliver, or effect the delivery of, any information or records in the possession of such billing agent or billing aggregator that, in the opinion of the Tax Administrator, is necessary to verify the proper application, calculation, collection and/or remittance of such tax to the City.

E. If any person subject to record-keeping under this section unreasonably denies the Tax Administrator access to such records, or fails to produce the information requested in an administrative subpoena within the time specified, then the Tax Administrator may impose a penalty of \$500 on such person for each day following: i) the initial date that the person refuses to provide such access; or, ii) the due date for production of records as set forth in the administrative subpoena. This penalty shall be in addition to any other penalty imposed under this Chapter.

### **3.22.150 Refunds.**

Whenever the amount of any tax has been overpaid or paid more than once or has been erroneously or illegally collected or received by the Tax Administrator under this Chapter from a person or service supplier, it may be refunded as provided in this section:

A. The Tax Administrator may refund any tax that has been overpaid or paid more than once or has been erroneously or illegally collected or received by the Tax Administrator under this Chapter from a service user or service supplier, provided that no refund shall be paid under the provisions of this section unless the claimant or his or her guardian, conservator, executor, or administrator has submitted a written claim to the Tax Administrator within one year of the overpayment or erroneous or illegal collection of said tax. Such claim must clearly establish claimant's right to the refund by written records showing entitlement thereto. Nothing herein shall permit the filing of a claim on behalf of a class or group of taxpayers unless each member of the class has submitted a written claim under penalty of perjury as provided by this paragraph.

B. The filing of a written claim pursuant to *Government Code Section 935* is a prerequisite to any suit thereon. Any action brought against the City pursuant to this section shall be subject to the provisions of *Government Code Sections 945.6 and 946*. The Tax Administrator, or the City Council where the claim is in excess of five thousand dollars (\$5,000), shall act upon the refund claim within the time period set forth in *Government Code Section 912.4*. If the Tax Administrator/City Council fails or refuses to act on a refund claim within the time prescribed by *Government Section 912.4*, the claim shall be deemed to have been rejected by the City Council on the last day of the period within which the City Council was required to act upon the claim as provided in *Government Code Section 912.4*. The Tax Administrator shall give notice of the action in a form which substantially complies with that set forth in *Government Code Section 913*.

C. Notwithstanding the notice provisions of paragraph (A) of this Section, the Tax Administrator may, at his or her discretion, give written permission to a service supplier, who has collected and remitted any amount of tax in excess of the amount of tax imposed by this Chapter, to claim credit for such overpayment against the amount of tax which is due the City upon a subsequent monthly return(s) to the Tax Administrator, provided that: i) such credit is claimed in a return dated no later than one year from the

date of overpayment or erroneous collection of said tax; ii) the Tax Administrator is satisfied that the underlying basis and amount of such credit has been reasonably established; and, iii) in the case of an overpayment by a service user to the service supplier that has been remitted to the City, the Tax Administrator has received proof, to his or her satisfaction, that the overpayment has been refunded by the service supplier to the service user in an amount equal to the requested credit.

D. Notwithstanding paragraphs (A) through (C) of this Section, above, a service supplier shall be entitled to take any overpayment as a credit against an underpayment whenever such overpayment has been received by the City within the three (3) years next preceding a deficiency determination or assessment by the Tax Administrator in connection with an audit instituted by the Tax Administrator pursuant to paragraph (D) of Section 3.22.130. A service supplier shall not be entitled to said credit unless it clearly establishes the right to the credit by written records showing entitlement thereto. Under no circumstances shall an overpayment taken as a credit against an underpayment pursuant to this paragraph qualify a service supplier for a refund to which it would not otherwise be entitled under the one-year written claim requirement of this Section.

### **3.22.160 Appeals.**

A. The provisions of this section apply to any decision (other than a decision relating to a refund pursuant to Section 3.22.150 of this Chapter), deficiency determination, assessment, or administrative ruling of the Tax Administrator. Any person aggrieved by any decision (other than a decision relating to a refund pursuant to Section 3.22.150 of this Chapter), deficiency determination, assessment, or administrative ruling of the Tax Administrator, shall be required to comply with the appeals procedure of this section. Compliance with this section shall be a prerequisite to a suit thereon. [See *Government Code Section 935(b)*]. Nothing herein shall permit the filing of a claim or action on behalf of a class or group of taxpayers.

B. If any person is aggrieved by any decision (other than a decision relating to a refund pursuant to Section 3.22.150 of this Chapter), deficiency determination, assessment, or administrative ruling of the Tax Administrator; he or she may appeal to the City Manager by filing a notice of appeal with the City Clerk within fourteen (14) days of the date of the decision, deficiency determination, assessment, or administrative ruling of the Tax Administrator which aggrieved the service user or service supplier.

C. The matter shall be scheduled for hearing before an independent hearing officer selected by the City Manager, no more than forty-five (45) days from the receipt of the appeal. The appellant shall be served with notice of the time and place of the hearing, as well as any relevant materials, at least five (5) calendar days prior to the hearing. The hearing may be continued from time to time upon mutual consent. At the time of the hearing, the appealing party, the Tax Administrator, and any other interested person may present such relevant evidence as he or she may have relating to the determination from which the appeal is taken.

D. Based upon the submission of such evidence and the review of the City's files, the hearing officer shall issue a written notice and order upholding, modifying or reversing the determination from which the appeal is taken. The notice shall be given within fourteen (14) days after the conclusion of the hearing and shall state the reasons for the decision. The notice shall specify that the decision is final and that any petition for judicial review shall be filed within ninety (90) days from the date of the decision in accordance with *Code of Civil Procedure Section 1094.6*.

E. All notices under this section may be sent by regular mail, postage prepaid, and shall be deemed received on the third calendar day following the date of mailing, as established by a proof of mailing.

**3.22.170 No Injunction/Writ of Mandate.**

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action, or proceeding in any court against this City or against any officer of the City to prevent or enjoin the collection under this Chapter of any tax or any amount of tax required to be collected and/or remitted.

**3.22.180 Notice of changes to ordinance.**

If a tax under this Chapter is added repealed, increased, reduced, or the tax base is changed, the Tax Administrator shall follow the notice requirements of *California Public Utilities Code Section 799*.

**3.22.190 Future Amendment to Cited Statute.**

Unless specifically provided otherwise, any reference to a state or federal statute in this Chapter shall mean such statute as it may be amended from time to time.

**3.22.200 No Increase in Tax Percentage or Change in Methodology Without Voter Approval.**

A. Regarding Section 3.22.050, the City may not increase the tax percentage or change a methodology for calculating the tax so as to result in an increase in a tax imposed on a person, without voter approval.

B. Notwithstanding paragraph (A) of this Section, pursuant to *Government Code Section 53750*, the City may make the following changes without voter approval:

- (1) reduce the percentage rate, and at any time thereafter increase such percentage rate, so long as the subsequent increase does not exceed the rate previously approved by the voters in the enactment of this Ordinance;
- (2) change the methodology so as to reduce the amount of the tax being levied, and at any time thereafter change the methodology, so long as the subsequent change in methodology does not result in an increase in the amount being levied under the methodology previously approved by the voters in the enactment of this Ordinance;
- (3) change a methodology or definition so as to avoid or eliminate a discriminatory tax on taxpayers that are similarly situated, so long as the change does not result in an increase in the amount levied on such class of similarly situated taxpayers under the methodology or definition previously approved by the voters in the enactment of this Ordinance;
- (4) establish a class of persons that is exempt or excepted from one or more taxes hereunder, and at any time thereafter, discontinue such exemption or exception;
- (5) decide that all or a part of a tax imposed under Section 3.22.050 should not be enforced for administrative reasons, and at any time thereafter, decide to enforce the full amount of such tax as previously approved by the voters in the enactment of this Ordinance; or,
- (6) establish, and at any time thereafter change, the value and/or apportionment (including a "safe harbor" percentage) of taxable and nontaxable services that are bundled or packaged under a combined charge, in response to changes in the marketing of combined services and the components thereof, or in reevaluating the values thereof [*See Section 3.22.060*].

**3.22.210 Independent Audit of Tax Collection, Exemption, Remittance, and Expenditure.**

The City shall annually verify that the taxes owed under this Chapter have been properly applied, exempted, collected, and remitted in accordance with this Chapter, and properly expended according to applicable municipal law. The annual verification shall be performed by a qualified independent third party and the review shall employ reasonable, cost-effective steps to assure compliance, including the use of sampling audits. The verification shall not be required of tax remitters where the cost of the verification may exceed the tax revenues to be reviewed.

**3.22.220 Interaction with Prior Tax.**

A. **Satisfaction of Tax Obligation by Service Users.** Any person who pays the tax levied pursuant to Section 3.22.050 of this Code with respect to any charge for a communication service shall be deemed to have satisfied his or her obligation to pay the tax levied pursuant to Section 3.20.080 of this Code with respect to that charge. Likewise, prior to April 1, 2008, any person who pays the tax levied pursuant to Section 3.20.080 of this Code with respect to any charge for a service shall be deemed to have satisfied his or her obligation to pay the tax levied pursuant to Section 3.22.050 of this Code with respect to that charge. The intent of this paragraph is to prevent the imposition of multiple taxes upon a single utility charge during the transition period from the prior telephone and video users' tax to the new communication users' tax (which transition period ends April 1, 2008) and to permit communications service providers, during that transition period to satisfy their collection obligations by collecting either tax.

B. **Collection of Tax by Service Providers.** Service providers shall begin to collect the tax imposed by this Chapter as soon as feasible after the effective date of the Chapter, but in no event later than permitted by *Section 799 of the California Public Utilities Code*.

C. For purposes of this Section the term "this Code" refers to the El Monte Municipal Code.

**3.22.230 Remedies Cumulative.**

All remedies and penalties prescribed by this Chapter or which are available under any other provision of law or equity, including but not limited to the California False Claims Act (*Government Code Section 12650 et seq.*) and the California Unfair Practices Act (*Business and Professions Code Section 17070 et seq.*), are cumulative. The use of one or more remedies by the City shall not bar the use of any other remedy for the purpose of enforcing the provisions of this Chapter.

**SECTION 2:** The adoption of Chapter 3.22 requires certain harmonizing modifications to provisions of existing Chapter 3.20 which impact the tax imposed under Chapter 3.22 notwithstanding their broader applicability to other non-telecommunication components of the City's utility users' tax. In making these harmonizing modifications it is the intent to preserve existing practices and procedures affecting all components of the City's utility users' tax; not to impose a higher tax or otherwise increase the tax on non-telecommunication components of the utility users' tax. Thus, in the interest of both preserving and clarifying certain pre-existing procedures and practices, subparagraph (A)(6) of Section 3.20.050 (Exemptions) of Chapter 3.20 (Utility User Tax) of Title 3 (Revenue and Finance) of the El Monte City Code is hereby recodified, clarified and restated as a new Section 3.20.051 (Alternative Tax Payment Option) which shall read as follows:

**3.20.051 Alternative Tax Payment Option.**

A. Any person or service user subject to any tax imposed under this Chapter and/or Chapter 3.22 (Communication Users' Tax) may opt to pay a fixed tax sum of Forty Thousand Dollars (\$40,000.00) per calendar year. This fixed tax sum shall be paid in lieu of any actual, aggregate tax sums which would otherwise be collected on behalf of

the City by a service supplier in amounts that would otherwise be due pursuant to this Chapter and/or Chapter 3.22 during any given calendar year. The fixed tax sum shall be paid directly to the City by the person or service user in bi-annual increments of Twenty-Thousand Dollars (\$20,000.00) which shall be due and payable on or before the close of business on January 1<sup>st</sup> and July 1<sup>st</sup> of each calendar year. If January 1<sup>st</sup> or July 1<sup>st</sup> fall on a date in which the City is closed for business, the applicable deadline shall be extended to the close of business on the next business day in which the City is open for business.

B. In order to qualify for the tax payment alternative set forth under this Section, a prospective applicant must submit, under penalty of perjury, true and correct documentation (e.g. utility bills and other like documentation) demonstrating to the reasonable satisfaction of the Tax Administrator that over the twelve (12) consecutive months immediately preceding the submission of the application, the aggregate amount of taxes collected from, or otherwise paid by, the applicant pursuant to this Chapter and/or Chapter 3.22 exceeded the sum of \$40,000.00.

C. If approved by the Tax Administrator, participation under the alternative payment procedures set forth under this Section shall become effective upon January 1<sup>st</sup> or July 1<sup>st</sup> - which ever date most immediately follows the date upon which the application was approved; the first incremental payment of \$20,000.00 shall be due and payable at this time. Consistent with paragraph (A) of this Section, above, incremental payments of \$20,000.00 shall be due and payable to the City on January 1<sup>st</sup> and July 1<sup>st</sup> of each calendar year until such time as the applicant opts-out of or the applicant's participation is terminated - all in accordance with paragraphs (D) and (E) of this Section, below.

D. An applicant may opt-out of the alternative payment procedures afforded under this Section at any time, provided such request is submitted to the Tax Administrator in writing; thereafter, the applicant shall be taxed, and such tax collected, in the manner otherwise provided under this Chapter and/or Chapter 3.22 effective January 1<sup>st</sup> or July 1<sup>st</sup> whichever date most immediately follows the date upon which the Tax Administrator receives the written request to opt-out of the alternative payment procedures set forth under this Section.

E. Notwithstanding, any other provisions set forth under this Chapter or Chapter 3.22 relating to the disposition of delinquencies and/or the imposition of collection penalties, the Tax Administrator may unilaterally terminate an applicant's participation under the alternative payment procedures set forth herein in the event the applicant fails to timely pay any or all sums due under this Section. Such termination shall become effective thirty (30) days from the date the Tax Administrator issues written notice of any delinquency to the delinquent applicant, unless all delinquent sums owed are actually received by the City prior to the expiration of the thirty-day grace period. In the event of termination, a terminated applicant shall be barred from reapplying under this Section for a period of one (1) year. Upon the effective date of the termination, the applicant shall be taxed, and such tax collected, in the manner otherwise provided under this Chapter and/or Chapter 3.22.

F. The terms "person", "service user" and "service supplier" as used in this Section include all persons, service users and service suppliers within the meaning of this Chapter and within the meaning of Chapter 3.22. For purposes of this Section, the terms "person," "service user," and "service supplier" shall be construed to have the broader, more encompassing meaning in the event of any conflict or inconsistency as between the meanings set forth under this Chapter and the meanings set forth under Chapter 3.22.

**SECTION 3.** Amendment or Repeal. Chapter 3.22 of the El Monte Municipal Code and the corresponding amendments made herein may be repealed or amended by the City Council without a vote of the people. However, as required by Article XIII C of the California Constitution, voter approval is required for any amendment provision that would increase the rate of any tax levied pursuant to this Ordinance.

**SECTION 4.** Constitutionality/Severability. If any section, paragraph, subsection, sentence, clause, phrase, or portion of this Ordinance is for any reason held to

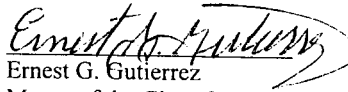

be invalid or unenforceable by a court of competent jurisdiction, the remaining portions of this Ordinance shall nonetheless remain in full force and effect. The people hereby declare that they would have adopted each section, paragraph, subsection, sentence, clause, phrase, or portion of this Ordinance, irrespective of the fact that any one or more sections, paragraphs, subsections, sentences, clauses, phrases, or portions of this Ordinance be declared invalid or unenforceable.

**SECTION 5.** Ratification of Prior Tax. The voters of the City of El Monte hereby ratify and approve the past collection of the Telecommunication Services User Tax under Chapter 3.20 of the El Monte Municipal Code as it existed prior to the effective date of this Ordinance.

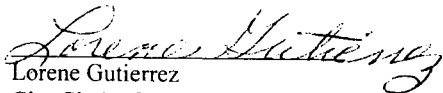

**SECTION 6.** Inconsistency Provisions. Any provision of the El Monte Municipal Code or appendices thereto inconsistent with the provisions of this Ordinance are hereby repealed or modified to the extent necessary to give effect to the provisions of this Ordinance and no further; such inconsistent provisions shall remain effective to the extent they address matters other than the subject matter of this ordinance.

**SECTION 7.** Effective Date. This Chapter shall become effective immediately upon the date that this Ordinance is confirmed and approved by the voters of El Monte at the General Municipal Election of November 6, 2007.

PASSED, APPROVED AND ADOPTED this 4th day of December 2007.
